NEW TRANSLATION (PART 5)

CUP AND CHALICE (Paul Turner) -

The revised English translation of the Mass has replaced the word *cup* with *chalice* in most instances throughout the Eucharistic prayers. Catholics who are accustomed to hearing the priest say of Jesus, *he took the cup*, will now hear instead, *he took the chalice*.

To some, the word sounds wrong. In English, *chalice* summons up an image of a precious vessel studded with jewels. Jesus surely had nothing like that at the Last Supper when he shared his blood.

There are several reasons for the change. One is the desire to use words that distinguish the articles we use at church from the ones we have at home. Another is to recognize the ceremonial nature of the meal Jesus shared. Furthermore, the same word appears both in the words spoken aloud and in the words that describe the action of the priest. Since we use the written word *chalice* to describe the vessel actually sitting on the altar, we use the same word in the spoken text about the Last Supper.

Of course, the word *cup* could have been used more broadly in these instances, and some would have preferred that. However, the Congregation for Divine Worship and the Discipline of the Sacraments in Rome believes that the word *chalice* sets a better tone for this part of the celebration.

Nonetheless, one of the revised memorial acclamations (*When we eat this bread*) still uses the word *cup*. This is partly because that acclamation is nearly a direct quotation from 1 Corinthians 11:26, where the word *cup* occurs in lectionary translations, and partly because this acclamation belongs to the people. The translators tried to minimize the changes to those parts of the revised words.

SPANISH MASS - SUMMER SCHEDULE 11:30 A.M. SUNDAY

August 7 and 21
September 4 and 18
(Need not be Hispanic to attend)

STEWARDSHIP - In today's Gospel we find an equation of the disciples of Jesus couldn't solve: Five loaves and two fish divided by 5,000 plus people. They failed to recognize Jesus in the equation; that whatever they had to offer, Jesus could take it and bless it and satisfy the hunger of the crowd with it. Good stewards recognize that the Lord can work miracles with the gifts they offer to a hungry and broken world. How often are we willing to offer our gifts in faith, even as insignificant as we think they are, an count on the Lord to do the rest? How often do we count Christ into the equation?

The foundation (www.fcncindia.org) works in the state of Andhra Pradesh in southeastern India, ministering to the medical, educational, and other basic needs of the poor. Participants will spend two weeks visiting projects, meeting the people they serve, and encountering some of the great culture and history that is India. ST. ANTHONY MEMORIAL WALKWAY

The number of pavers (bricks) on our Memorial Walkway continues to grow. However, there is plenty of space left for you and your family.

The walkway can serve a variety of needs, from memorializing loved ones who have passed away to honoring those who are still with us. Significant life milestones such as birthdays, Confirmations, graduations, marriages, religious vocations, military service, anniversaries and more are just a few of those milestones you may want to honor. You may even just want to make a visible statement of support for your church by ordering a paver with your family name (s).

In any case, here's the deal: Your first paver costs only \$200.00. Any subsequent pavers are offered at a reduced rate of \$150.00. So even if you bought a paver two years ago, your next one will only cost you \$150.00. We know only is relative, but remember, the overwhelming majority of your purchase price helps to reduce the mortgage debt on our beautiful church.

Forms are available in the gathering area. Just fill it out, put it in an envelope labeled PAVER and either place it in the offering basket or drop it off at the Pastoral Center.
