

Parish Council Minutes

October 19, 2011

Present: Gary Phillips, Robin Schuman, Ron Riddle, Dr. Jake, Tim Hadfield, Brian Henry, Father Dan

Also present; Mary Schnoring and Pud Webb

Meeting was started with a prayer led by Father Dan.

Minutes from the previous meeting were read. Dr. Jake made a motion to accept the minutes. Tim Hadfield seconded the motion. The motion carried.

Mary Schnoring (Worship and Life commissioner) and Pud Webb (Education commissioner) were in attendance to discuss the Parish Ministry fair.

Mary mentioned that she had her commissions going from the use of previous time and talent sheets. Pud asked about the expectations of the different commissions and what was wanted at the Ministry Fair. After much discussion, it was decided to have the Ministry Fair on the weekend on November 12th and 13th, which is also known as Commitment Sunday. We would also have write ups of the Parish Council candidates on a table for people to view.

Father mentioned that the Youth group's goal for NCYC has been met.

Reviewed the Finance report and budget.

Mission Statement: Robin presented a sample from a new parishioner, Beverly Luetkemeyer, for a way to post the mission statement. The lettering would be a computer calligraphy place on canvas. Everyone liked the idea but wanted some other examples to choose from. Robin will get with Beverly and see about some other examples that were suggested and send them around through email. The only cost the parish would have would be for the frame.

Parish Council election: After much discussion, it was decided to have nomination ballots in church on the weekend on October 29th and 30th. The council members will meet briefly on November 1st to discuss who will call candidates. The write ups will be presented at the Ministry Fair and then the elections will be on November 19th and 20th.

Robin will contact Ladies Sodality regarding the Parish Council Dinner. It will be during the regular December meeting and will welcome the new members while saying goodbye to the departing members.

Robin made a motion to adjourn the meeting. Dr. Jake seconded the motion.

Next meeting will be November 16th.
